MEMORANDUM FOR DYESS AFB PERSONNEL

FROM: 7 BW/CC

SUBJECT: Dyess AFB Youth Supervision Policy Letter (S/S Previous Memo Dated: 3 January 2012)

1. The Department of Defense requires all military departments to develop policy under which children residing on or in a DoD facility or installation can be left alone to care for themselves. The attached Dyess AFB Youth Supervision Policy applies to all children of Active Duty Military assigned to Dyess AFB. If your family resides off-base, please refer to the Texas State Law at the following web site:

https://www.dfps.state.tx.us/Child_Protection/About_Child_Protective_Service

2. It is imperative that all Dyess AFB personnel and family members understand their responsibilities under the base Youth Supervision Policy. The Family Advocacy Program (FAP) will utilize this policy as a guideline for evaluating allegations of supervisory neglect. Reported failure to comply with Youth Supervision Policy will result in a child maltreatment assessment by the FAP. All violations are to be reported to the 7 SFS at 696-2131 or FAP at 696-5380.

3. Curfew hours on Dyess AFB for juveniles aged 17 and under is 2300 (11 p.m.) to 0500 (5 a.m.) everyday. Exception: For juveniles departing the Dyess Youth Center or any other location hosting a DAFB-sanctioned function concluding after 2300. Individual(s) will proceed directly to place of residence. Any deviation will constitute a violation. See DAFB Supplement 1 to AFI 31-201, *Security Police Standards and Procedures*, for detailed guidance.

4. Please assist us in providing the appropriate supervision to ensure a safe environment for your child. Questions concerning the policy on baby-sitting and home alone training should be directed to the Dyess Youth Center at 696-4797. Questions concerning the Dyess AFB Youth Supervision Policy should be directed to Mr. Douglas Carey, Chief, Airman and Family Services Flight, 696-4301.
